This Agreement has been duly executed and delivered by ECOBLU and (assuming due execution and delivery by ECOB) is the legal, valid and binding obligation of ECOBLU, enforceable in accordance with its terms except that such enforcement may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting or relating to enforcement of creditors' rights generally and (ii) general equitable principles. Upon the execution and delivery by ECOBLU of the Collateral Documents and assuming due execution and delivery thereof by the other parties thereto, the Collateral Documents will be the legal, valid and binding obligations of each such Person, as the case may be, enforceable against each of them in accordance with their respective terms except that such enforcement may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting or relating to enforcement of creditors' rights generally and (ii) general equitable principles.

4.5 Consents and Approvals. Except for requirements under applicable United States or state securities laws, no consent, approval, authorization or order of, registration or filing with, or notice to, any Regulatory Authority or any other Person is necessary to be obtained, made or given by ECOBLU in connection with the execution, delivery and performance by them of this Agreement or any Collateral Documents or for the consummation by them of the transactions contemplated hereby or thereby, except to the extent the failure to obtain such consent, approval, authorization or order or to make such registration or filings or to give such notice would not have a Material Adverse Effect on ECOBLU or a material adverse effect on the validity, binding effect or enforceability of this Agreement or the Collateral Documents or the ability of ECOB or ECOBLU to perform its obligations under this Agreement or any of the Collateral Documents.

4.6 Compliance with Legal Requirements. ECOBLU has operated the ECOBLU Business in compliance with all material Legal Requirements including, without limitation, the Exchange Act and the Securities Act applicable to ECOBLU, except to the extent the failure to operate in compliance with all material Legal Requirements, would not have a Material Adverse Effect on ECOBLU or a Material Adverse Effect on the validity, binding effect or enforceability of this Agreement or the Collateral Documents.

Since the August 31, 2009 the balance sheet provided by ECOBLU to ECOB through the date hereof, there has not been any occurrence, event, incident, action, failure to act or transaction involving ECOBLU, which is reasonably likely, individually or in the aggregate, to have a Material Adverse Effect on ECOBLU.

4.9 Assets and Liabilities. As of the date of this Agreement, neither ECOBLU nor any of its Subsidiaries has any Assets or Liability, except for the (i) Assets and Liabilities disclosed in the balance sheet disclosed to ECOB through the date hereof and (ii) Liabilities incurred in connection with this Agreement.

4.10 Taxes. ECOBLU has, duly and timely filed in proper form all Tax Returns for all Taxes required to be filed with the appropriate Governmental Authority, except where such failure to file would not have a Material Adverse Effect on ECOBLU.

All accounts receivable and inventory of the ECOBLU Business are reflected properly on such books and records in all material respects.

(b) To the knowledge of current management, the ECOBLU's financials do not contain (directly or by incorporation by reference) any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (or incorporated therein by reference), in light of the circumstances under which they were or will be made, not misleading.

No representation or warranty of ECOBLU in this Agreement or in the Collateral Documents and no statement in any certificate furnished or to be furnished by ECOBLU pursuant to this Agreement contained, contains or will contain on the date such agreement or certificate was or is delivered, or on the Closing Date, any untrue statement of a material fact, or omitted, omits or will omit on such date to state any material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

4.15 Filings. ECOBLU has or will make all of the filings required by the Securities Act of 1933, as amended, and the Exchange Act of 1934, as amended, required to be made and no such filing contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements made, not misleading.

ECOBLU shall have delivered to ECOB a certificate dated the Closing Date to the foregoing effect.

(ii) Such other documents and instruments as ECOB may reasonably request: (A) to evidence the accuracy of the representations and warranties of ECOBLU under this Agreement and the Collateral Documents and any documents, instruments or certificates required to be delivered hereunder; (B) to evidence the performance by ECOBLU of, or the compliance by ECOBLU with, any covenant, obligation, condition and agreement to be performed or complied with by ECOBLU under this Agreement and the Collateral Documents; or (C) to otherwise facilitate the consummation or performance of any of the transactions contemplated by this Agreement and the Collateral Documents, including: Audited financial statement sufficient for ECOB to meet regulatory requirements for public disclosure.

8.5 No Material Adverse Change. There shall have been no material adverse change in the business, financial condition or operations of ECOBLU and its Subsidiaries taken as a whole.

8.6 No Litigation. No action, suit or proceeding shall be pending or threatened by or before any Regulatory Authority and no Legal Requirement shall have been enacted, promulgated or issued or deemed applicable to any of the transactions contemplated by this Agreement and the Collateral Documents that would: (i) prevent consummation of any of the transactions contemplated by this Agreement and the Collateral Documents; (ii) cause any of the

transactions contemplated by this Agreement and the Collateral Documents to be rescinded following consummation; or (iii) have a Material Adverse Effect on ECOBLU.

8.7 Exchange Act Requirements. ECOBLU shall have complied with the provisions of Rule 14f-1 of the Exchange Act, if necessary and shall be current in all of its securities filings.

8.8 Dissenters' Rights. Not more than \$25,000 in claims shall have been asserted in connection with dissenters' approval rights in connection with the Merger.

ARTICLE IX **INDEMNIFICATION**

9.1 Indemnification by ECOB. ECOB shall indemnify, defend and hold harmless (i) ECOBLU, (ii) each of ECOBLU's assigns and successors in interest to ECOB Shares, and (iii) each of their respective shareholders, members, partners, directors, officers, managers, employees, agents, attorneys and representatives, from and against any and all Losses which may be incurred or suffered by any such party and which may arise out of or result from any breach of any material representation, warranty, covenant or agreement of ECOB contained in this Agreement. All claims to be asserted hereunder must be made for the first anniversary of the Closing.

9.2 Indemnification by ECOBLU. ECOBLU shall indemnify, defend and hold harmless ECOB and each of ECOB Shareholders from and against any and all Losses which may be incurred or suffered by any such party hereto and which may arise out of or result from any breach of any material representation, warranty, covenant or agreement of the ECOBLU Parties contained in this Agreement. All claims to be asserted hereunder must be made for the first anniversary of the Closing.

9.3 Notice to Indemnifying Party. If any party (the "Indemnified Party") receives notice of any claim or other commencement of any action or proceeding with respect to which any other party (or parties) (the "Indemnifying Party") is obligated to provide indemnification pursuant to Sections 9.1 or 9.2, the Indemnified Party shall promptly give the Indemnifying Party written notice thereof, which notice shall specify in reasonable detail, if known, the amount or an estimate of the amount of the liability arising here from and the basis of the claim. Such notice shall be a condition precedent to any liability of the Indemnifying Party for indemnification hereunder, but the failure of the Indemnified Party to give prompt notice of a claim shall not adversely affect the Indemnified Party's right to indemnification hereunder unless the defense of that claim is materially prejudiced by such failure. The Indemnified Party shall not settle or compromise any claim by a third party for which it is entitled to indemnification hereunder without the prior written consent of the Indemnifying Party (which shall not be unreasonably withheld or delayed) unless suit shall have been instituted against it and the Indemnifying Party shall not have taken control of such suit after notification thereof as provided in Section 9.4.

9.4 Defense by Indemnifying Party. In connection with any claim giving rise to indemnity hereunder resulting from or arising out of any claim or legal proceeding by a Person who is not a party to this Agreement, the Indemnifying Party at its sole cost and expense may, upon written notice to the Indemnified Party, assume the defense of any such claim or legal

proceeding (i) if it acknowledges to the Indemnified Party in writing its obligations to indemnify the Indemnified Party with respect to all elements of such claim (subject to any limitations on such liability contained in this Agreement) and (ii) if it provides assurances, reasonably satisfactory to the Indemnified Party, that it will be financially able to satisfy such claims in full if the same are decided adversely. If the Indemnifying Party assumes the defense of any such claim or legal proceeding, it may use counsel of its choice to prosecute such defense, subject to the approval of such counsel by the Indemnified Party, which approval shall not be unreasonably withheld or delayed. The Indemnified Party shall be entitled to participate in (but not control) the defense of any such action, with its counsel and at its own expense; provided, however, that if the Indemnified Party, in its sole discretion, determines that there exists a conflict of interest between the Indemnifying Party (or any constituent party thereof) and the Indemnified Party, the Indemnified Party (or any constituent party thereof) shall have the right to engage separate counsel, the reasonable costs and expenses of which shall be paid by the Indemnified Party. If the Indemnifying Party assumes the defense of any such claim or legal proceeding, the Indemnifying Party shall take all steps necessary to pursue the resolution thereof in a prompt and diligent manner. The Indemnifying Party shall be entitled to consent to a settlement of, or the stipulation of any judgment arising from, any such claim or legal proceeding, with the consent of the Indemnified Party, which consent shall not be unreasonably withheld or delayed; provided, however, that no such consent shall be required from the Indemnified Party if (i) the Indemnifying Party pays or causes to be paid all Losses arising out of such settlement or judgment concurrently with the effectiveness thereof (as well as all other Losses theretofore incurred by the Indemnified Party which then remain unpaid or unreimbursed), (ii) in the case of a settlement, the settlement is conditioned upon a complete release by the claimant of the Indemnified Party and (iii) such settlement or judgment does not require the encumbrance of any asset of the Indemnified Party or impose any restriction upon its conduct of business.

ARTICLE X

TERMINATION

10.1 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, at any time prior to the Effective Time.

(a) by mutual written agreement of ECOBLU and ECOB hereto duly authorized by action taken by or on behalf of their respective Boards of Directors; or

(b) by either ECOB or ECOBLU upon notification to the non terminating party by the terminating party:

(i) if the terminating party is not in material breach of its obligations under this Agreement and there has been a material breach of any representation, warranty, covenant or agreement on the part of the non terminating party set forth in this Agreement such that the conditions in Sections 7.1, 7.2, 8.1 or 8.2 will not be satisfied; provided, however, that if such breach is curable by the non terminating party and such cure is reasonably likely to be completed prior to the date specified in Section 10.1(b)(ii), then, for so long as the non terminating party continues to use commercially reasonable efforts to effect and cure, the terminating party may not terminate pursuant to this Section 10.1(b)(i);

(ii) if the Closing has not transpired on or before November 7, 2009.

(iii) if any court of competent jurisdiction or other competent Governmental or Regulatory Authority shall have issued an order making illegal or otherwise permanently restricting, preventing or otherwise prohibiting the Merger and such order shall have become final; or

10.2 Effect of Termination. If this Agreement is validly terminated by either ECOB or ECOBLU pursuant to Section 10.1, this Agreement will forthwith become null and void and there will be no liability or obligation on the part of the parties hereto, except that nothing contained herein shall relieve any party hereto from liability for willful breach of its representations, warranties, covenants or agreements contained in this Agreement.

If the last day permitted for the giving of any notice or the performance of any act required or permitted under this Agreement falls on a day which is not a Business Day, the time for the giving of such notice or the performance of such act shall be extended to the next succeeding Business Day.

11.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
